D. Additional Fund Request to the Local Transportation Authority (LTA) – Traffic Control Assistance for Southbound Peak Traffic on State Route 111-Imperial Avenue to the Downtown Calexico West Port of Entry

The City of Calexico has made a second request to the LTA for funds from the regional highway set-aside for traffic control staff assistance on State Route 111/Imperial Avenue, for southbound traffic leading to the Downtown Calexico West Port of Entry (POE). The City's request for \$150,000 is for one additional year for a total three year request of \$450,000. The previous \$300,000 for Fiscal Years 2016-17 and FY 2017-18 has been expensed.

The proposed request is a short-term solution to a longer term need as the federal government is under construction to expand the POE in 2018. In 2018, traffic will use SR-111/Imperial Avenue and Cesar Chavez Boulevard to access the Calexico West POE. The City is committed to work with all local, state and federal stakeholders to analyze and evaluate traffic control measures for the phased opening of the Phase 1 construction of the Calexico West POE. Additionally, the City will soon begin construction of the Cesar Chavez

Blvd. Widening project, and a multi-agency Traffic Circulation Plan led by ICTC is underway to develop short and long term traffic management strategies.

The ICTC Management Committee met on June 13, 2018 and discussed the request from the City of Calexico at length and formed an opinion that no future requests be approved for the City of Calexico after this one.

The ICTC Management Committee met and forwarded this item to the LTA Board for review and approval after public comment, if any.

A motion was made by Nava and seconded by Nava-Froelich, Motion Carried Unanimously, with the caveat that the Management Committee recommendation be honored.

E. Additional Fund Request to the Local Transportation Authority (LTA) – Security Services at the El Centro 7<sup>th</sup> and State Streets Bus Transfer Terminal

The City of El Centro has made a request for \$90,000 in funds for a second year to assist with security services at the 7<sup>th</sup> and State Street Transfer Terminal in El Centro. Passengers using the bus terminal have complained about their ability to safely use the terminal due to excessive loitering, vandalism, the appearance of drug use/transactions and other violent crimes. Due to the presence of the security officers, in the past year the complaints have decreased significantly.

The ICTC Management Committee met on June 13, 2018 and discussed the request from the City of El Centro at length and formed an opinion that ICTC staff work with agencies to develop a security plan for all transit centers. Mr. Plancarte concurred with the request. Mr. Kelley stated that this be the last request on this issue.

The ICTC Management Committee met and forwarded this item to the LTA Board for review and approval after public comment, if any.

- 1. Approved the allocation for funding needed in the amount of \$90,000 for one additional year for the City of El Centro for security services at the 7<sup>th</sup> an State Street transfer terminal, from the LTA 2% Transit set-aside from the Measure D allocations.
- 2. Authorized the Chairman to sign a one year extension for FY 2018-19 to the Memorandum of Understanding (MOU) between the City of El Centro and the Imperial County Local Transportation Authority.
- 3. Directed staff to work with all agencies to develop a plan for security of transit centers.

SUBJECT:

Public Hearing: the Adoption of the Resolution Amending the Measure D Expenditure Plan and adoption of the FY 2018-19 LTA 1% Administrative Budget

#### Dear Authority Members:

The administrative oversight and the daily responsibilities for the LTA are provided by staff of the Imperial County Transportation Commission (ICTC). LTA revenue is provided for the expenses incurred.

Section 8 of the existing LTA Ordinance's Expenditure Plan, currently provides that revenues may be expended by the Authority for salaries, wages, benefits, overhead, and those services including contractual services necessary to administer the Ordinance; however, in no case shall such expenditures exceed one percent (1%) of the annual revenues provided by the Measure.

The largest expenses for the LTA have been and continue to be: 1) Staffing and Support services provided by ICTC staff; 2) Independent CPA audit services; and, 3) the allocation of facility and equipment rent/lease.

After an increase in revenue which peaked in Fiscal Year (FY) 2014-15, the revenue available for the 1% administrative budget has been declining back to approximately FY 2012-13 levels. For FY 2018-19, the annual expense exceeds the 1% administrative revenue forecast, and a remedy has been sought.

Legal counsel assisted staff in a review of other Self Help county ordinances and determined that several other counties limit the 1% administrative expense strictly to staff salaries and benefits. The remaining reasonable expense attributed to categories including but not limited to; rent, office expense, audit fees, etc. is funded at the full expense from the total annual revenues allocated to the LTA.

In addition, the Public Utilities Code subsection 180109(b) provides that the Authority shall not expend more than 1% of the funds generated for salary and benefits of its staff, but does not set a particular limit on the other reasonable costs of administration.

Section 10 of the LTA's Ordinance's Expenditure Plan provides that the Expenditure Plan may be amended to further its purposes by ordinance or resolution, passed by roll call vote entered in the minutes, with two-thirds of the Authority, or six board members concurring.

1503 N. Imperial Ave., Suite 104, El Centro, CA 92243 Phone: (760) 592-4494, Fax: (760) 592-4410 Upon approval of the proposed resolution for amendment, the fiscal impact to the member agencies in the FY 2018-19 budget is estimated at a \$45,000 decrease in annual LTA revenues available region wide that are distributed amongst the member agencies. In anticipation of approval of the resolution by the LTA Board after the requisite public hearing, a corresponding FY 2018-19 1% Administrative Budget is attached, illustrating the summary of revenues and expenditures.

If the resolution is not approved, the fiscal impact would have to be borne by the other non-LTA programs and services provided by ICTC. All administrative expenses are documented in each annual 1% budget presentation for review by the LTA.

As directed by the LTA Board on June 27, 2018, staff has scheduled the public hearing on this matter for the upcoming full LTA Board meeting on July 25, 2018, with the requisite ten-day publication of notice pursuant to Government Code section 6062. If the amendment is then approved by the resolution, staff would send notification to the County Board of Supervisors and to each City Council, providing them with a copy of the amendment, which would become effective 45 days after the notice is given.

With Management Committee concurrence from July 11, 2018, the LTA Executive Director forwards the following recommendation(s) to the Authority after the review of public comment, if any:

- 1. Conduct the public hearing on July 25, 2018 at 6:00PM for the purpose of attaining public comment on the LTA 1% Administrative Budget Resolution Amending the Measure D Expenditure Plan.
- 2. Authorize the chairman to sign the resolution of the LTA amending the 1% administrative services by amending the Ordinance's Section 8 Expenditure Plan.
- 3. Approve the 1% administrative services budget for the LTA for FY 2018-19.

Sincerely,

MARK BAZA
Executive Director

**SUBJECT:** Adoption of the Imperial County Local Transportation Authority Annual Financial Audit – Westmorland, Fiscal Year Ended June 30, 2017

#### Dear Authority Members:

According to Section VIII of the ordinance dated July 1, 1989, the Local Transportation Authority (LTA) must conduct fiscal audits of its financial activities on an annual basis. The ordinance states: "An annual independent audit shall be conducted to assure that the revenues expended by the Authority under this section are necessary and reasonable in carrying out its responsibility under the Ordinance."

Financial reports for the cities and the County which were previously approved by the LTA Board can be found on the ICTC website at <a href="http://www.imperialctc.org/about-lta/financial-reports/">http://www.imperialctc.org/about-lta/financial-reports/</a>

Attached, please find the following annual financial report performed by the CPA firm, Vavrinek Trine and Daly (VTD), CPA: LTA Annual Financial Report - Westmorland for fiscal year ended June 20, 2017.

The LTA Local Taxpayer Supervising Committee (LTSC) "Oversight Committee" met on July 10, 2018. During the meeting, the VTD audit team indicated that "...Due to the audit being incomplete, the auditor has formed a disclaimed opinion which means that an opinion on the financial statements cannot be rendered due to the significant material weaknesses described in the findings...".

Subsequent comments and recommendations by the LTSC for the Board consideration are summarized as follows:

- 1. Require the City of Westmorland to provide a timeline for the completion of further audit findings, and;
- 2. Effective July 1, 2018, direct LTA staff to either:
  - a) Withhold LTA funds from the agency until completion of an audit; or
  - b) Allocate LTA funds through a claim/reimbursement process only until completion of an audit.

1503 N. Imperial Ave., Suite 104, El Centro, CA 92243 Phone: (760) 592-4494, Fax: (760) 592-4410 With concurrence of the ICTC Management Committee on July 11, 2018, the Executive Director forwards the following recommendations to the LTA Board for review and approval, after receipt of public comment, if any:

- 1. Receive, Approve and File the FY 2016-17 Imperial County Local Transportation Authority Annual Financial Audit for the City of Westmorland.
- 2. Request that the City of Westmorland to provide a timeline for the completion of the further audit findings.
- 3. Direct staff to allocate LTA funds for the City of Westmorland through a claim/reimbursement process only until completion of an audit, effective July 1, 2018.

Sincerely,

MARK BAZA
Executive Director

NOTES TO THE FINANCIAL STATEMENTS

#### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2017

#### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Imperial County Local Transportation Authority

The Imperial County Local Transportation Authority (the Authority) was created to implement the Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance which was adopted by the electorate on November 4, 2008. The tax is imposed in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Division 19 of the Public Utilities Code (Code Section 180000). The purpose of this ordinance was to allow the Authority to issue bonds payable from the enactment of a one half of one percent sales tax for a period of forty years. The proceeds of this tax are first allocated to the monthly debt service payments of the bonds, then to the County of Imperial and the member agencies for local street road purposes. Also, a portion of the tax revenues would be used for administration, transit services, and state highway purposes.

The funds that are generated by implementation of the Imperial County Transportation Authority Retail Transactions and Use Tax Ordinance are intended to supplement and not to replace existing local revenues used for transportation purposes.

The Authority consists of the following member agencies:

- 1) City of Brawley
- 2) City of Calexico
- 3) City of Calipatria
- 4) City of El Centro
- 5) City of Holtville
- 6) City of Imperial
- 7) City of Westmorland
- 8) County of Imperial

The members of the Board of the Authority consist of one member of the City Council of each incorporated city of Imperial County and two members of the Board of Supervisors of Imperial County. The members serve staggered terms with no term exceeding a four year period. The chairman and vice-chairman of the Board of the Authority are elected annually in June.

Compliance requirements of the Imperial County Local Transportation Authority

Each member agency is required to comply with the By-Laws of the Imperial County Local Transportation Authority and the Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance and Transportation Authority Expenditure Plan.

#### Fund accounting

Fund accounting is designed to demonstrate local compliance and to aid financial management by segregating transactions related to certain government functions or activities. The City of Westmorland has an established special revenue fund to account for revenues and expenditures related to Ordinance 1-2008.

#### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2017

#### NOTE B – BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, the Measure D Sales Tax Fund presents increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses).

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measureable means the amount of the transaction can be determined and "available" means within the current period or soon enough thereafter to be used to pay liabilities of the current period. Generally, revenues are considered available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred.

Ordinance No. 1-2008, The Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance and Expenditure Plan, between the City of Westmorland and the Imperial County Local Transportation Authority dated July 27, 2008 requires the schedule of revenues and allowable expenditures be reported in conformity with the terms of the agreement. The City uses the modified accrual basis of accounting to record the revenues and expenditures related to this ordinance.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

#### NOTE C – RESTRICTION OF NET REVENUES

The revenues in excess of expenditures reported on the financial statement are restricted for future expenditures authorized by Ordinance No. 1-2008.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING 8

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS AND MEASURE D COMPLIANCE REQUIREMENTS

Board of Directors Imperial County Local Transportation Authority El Centro, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of revenues and allowable expenditures of the Measure D Sales Tax Fund of the City of Westmorland, California (City), for the year ended June 30, 2017, and the related notes to the financial statement, and have issued our report thereon dated \_\_\_\_\_\_. Our report included an emphasis of matter stating that the financial statement of the Measure D Sales Tax Fund does not purport to, and does not, present fairly the financial statements of the City as of June 30, 2017.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses as items 2017-001 and 2017-002 that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statement of the Measure 

Sales Tax Fund of the City is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements including the requirements of Measure D matters as specified in the Imperial County Local Transportation Authority Retail Transactions and Use Ordinance No. 1-2008 (Ordinance), noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance, which is required to be reported under Government Auditing Standards and in accordance with the Ordinance and which is described in the accompanying schedule of findings and responses as item 2017-001.

The City's responses to the findings identified in our audit are described in the accompanying schedule of findings and responses. The City's responses were not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on them.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Diego, California \_\_\_\_\_, 2018

### SCHEDULE OF FINDINGS AND RESPONSES JUNE 30, 2017

#### **Finding 2017-001**

#### ALLOCATION OF INTEREST EARNED ON MEASURE D CASH AND INVESTMENTS

#### Criteria:

The *Imperial County Local Transportation Authority Retail Transactions and Use Tax Expenditure Plan (Plan)*, Section 9, states interest earned on funds allocated pursuant to this Ordinance shall be expended only for those purposes for which the funds were allocated.

#### **Condition:**

During our testing of revenues, it was noted that the City did not equitably allocate interest revenue to the Measure D Sales Tax Fund during the year.

#### **Context:**

As noted in item 2017-002 below, the City had accounts recorded that were not reconciled. In order to allocate interest from the City investment pool to participants, each participant's balance must be determined. Since the total balance is not reconciled, interest earned cannot be equitably allocated to participating funds.

#### **Effect:**

The City did not comply with Section 9 of the Plan.

#### Cause:

The City did not maintain policies and procedures to ensure interest revenue was equitably allocated to the Measure D Sales Tax Fund.

#### **Recommendation:**

We recommend that the City implement procedures to allocate interest revenue equitably to the Measure D Sales Tax Fund.

#### View of Responsible Official and Planned Corrective Action:

#### Corrective Action Plan:

The City has contacted an independent accountant to assist the City with tracking the interest earned on the Measure D monies, which will begin in early 2017.

### SCHEDULE OF FINDINGS AND RESPONSES JUNE 30, 2017

#### **Finding 2017-002**

#### BANK RECONCILIATIONS

#### Criteria:

The City of Westmorland should ensure that bank reconciliations are performed timely and accurately.

#### **Condition:**

During our testing, we noted that monthly bank reconciliations for the City's pooled cash and investment accounts were only performed for one bank account. The remaining accounts were not reconciled.

#### **Context:**

The condition noted above was identified during testing of cash and investment balances.

#### **Effect:**

The City's internal control is weakened by not performing bank reconciliations for all cash balances.

#### Cause:

The City did not maintain procedures to ensure that the bank reconciliations were properly prepared and reviewed in a timely manner.

#### **Recommendation:**

We recommend strengthening procedures to ensure the bank reconciliations are performed and reviewed in a timely manner.

#### View of Responsible Official and Planned Corrective Action:

#### **Corrective Action Plan:**

The City's Treasurer and Clerk will be working with an independent accountant to better improve the City's bank reconciliation process.
