SUBJECT: Imperial County Local Transportation Authority Annual Financial Audit for Fiscal Year Ended June 30, 2025

Dear Committee Members:

According to Section VIII of the ordinance dated July 1, 1989, the Local Transportation Authority (LTA) must conduct fiscal audits of its financial activities on an annual basis. The ordinance states: *“An annual independent audit shall be conducted to assure that the revenues expended by the Authority under this section are necessary and reasonable in carrying out its responsibility under the Ordinance.”*

The ordinance and the bylaws also states: *“the Local Taxpayer Supervising Committee (LTSC) shall supervise a post-audit of the financial transactions and records of the Authority at least annually by a certified public accountant as described in Section 12...”*

Attached, please find the annual financial reports performed by the CPA firm, The Pun Group: *LTA Annual Financial Report, for fiscal year ended June 20, 2025*. The audit team and staff will be presenting this item.

The Executive Director requests that the Local Taxpayer Supervising Committee forward this item to the LTA for review and approval after receipt of public comment, if any:

1. Receive, Approve and File the FY 2024-25 Imperial County Local Transportation Authority Annual Financial Audit for the following agencies: Brawley, Calexico, Calipatria, El Centro, Holtville, Imperial, Westmorland, the County of Imperial and the ICLTA.

Sincerely,

DAVID AGUIRRE
Executive Director

SUBJECT: Discussion regarding the appointment of an LTSC member to fill vacant position

Dear Committee Members:

The Local Transportation Authority (LTA) is actively seeking one (1) qualified local resident to participate as a member of the Local Taxpayer Supervising Committee (LTSC). The LTSC focuses on two (2) goals:

1. Review the performance of the sales tax transportation program through an annual audit process to ensure that all transportation sales tax funds are spent by the LTA in accordance with all provisions of the voter-approved Expenditure Plan and ordinance; and
2. Provide positive, constructive advice to the LTA on how to improve implementation of the program as well as conduct studies as authorized by the LTA.

Currently, we have one vacant position that we are seeking a professional and/or community member with the following credentials:

- One member who is a current or retired manager of major public and/or privately financed development or construction projects, who through training and experience would understand the complexity, costs, and implementation issues involved in building large scale infrastructure improvements

Attached is the invitation flyer for your review. It describes in more detail all three positions, two of which are already filled.

Staff requests that the LTSC provide input and recommendations in the recruitment of a qualified member to fill the vacant position.

Sincerely,

DAVID AGUIRRE
Executive Director

INVITATION FOR MEMBERSHIP

Measure “D”

Local Taxpayer Supervising Committee (LTSC)

Measure D is the one-half cent transportation sales tax that was approved by Imperial County voters in 1989 and recently extended in 2008 by an overwhelming 81%. Since 1990, Measure D has generated more than \$140 million for transportation improvement projects in each of our cities and throughout the county.

In 1989, the Imperial County Local Transportation Authority (LTA) was created by the County Board of Supervisors as the Authority Board responsible to oversee the disbursement of funds and to ensure transparency and responsible use of resources. In July 2010, the Imperial County Transportation Commission (ICTC) had accepted the responsibility for ICTC staff to provide the daily technical support to the LTA for administration of receipts and disbursements as allocated by the State Board of Equalization.

As mandated in the passage of the Measure D extension, the Local Transportation Authority (LTA) is actively seeking three (3) qualified local residents to participate as members of the Local Taxpayer Supervising Committee (LTSC). The LTSC or “Committee” will focus on two (2) goals:

1. Review the performance of the sales tax transportation program through an annual audit process to ensure that all transportation sales tax funds are spent by the LTA in accordance with all provisions of the voter-approved Expenditure Plan and Ordinance; and,
2. Provide positive, constructive advice to the LTA on how to improve implementation of the program as well as conduct studies authorized by the LTA.

The three members of the Committee must possess the following professional and/or community credentials:

- One member who is a professional, active or retired, in the field of municipal audit, finance, and/or budgeting with at least five years of demonstrated experience in the field of transportation in the public or private sector
- One member who is a licensed civil engineer or trained transportation planner, active or retired, with at least five years of demonstrated experience in the field of transportation in government and/or private sector
- One member who is a current or retired manager of major public and/or privately financed development or construction projects, who through training and experience would understand the complexity, costs, and implementation issues involved in building large scale infrastructure improvements

LTSC members serve without compensation, except they shall be reimbursed for authorized travel and other expenses directly related to the work of the LTSC. Interested individuals may submit a résumé or letter stating their qualifications and willingness to participate in the LTSC to the address below.

MEASURE D LOCAL TAXPAYER SUPERVISING COMMITTEE (LTSC)

MINUTES FOR MARCH 13, 2025

3:00 PM

MEMBERS PRESENT: Tim Jones, Joe Picazo, Robert Amparano (Chair), David Aguirre (Executive Director)

OTHERS PRESENT: Michelle Bastidas, Cristi Lerma: ICTC Staff; Coley Delaney: The Pun Group

I. WELCOME AND INTRODUCTIONS

- A. The meeting began at 3:00 p.m. Introductions were made.

II. PUBLIC COMMENTS

There were no public comments.

III. ACTION CALENDAR

- A. Imperial County Local Transportation Authority Annual Financial Report for the Fiscal Year Ended June 30, 2024

Mr. Delaney with the CPA firm, The Pun Group, presented the *LTA Annual Financial Reports for the fiscal year ended June 20, 2024*. The audit performed was in accordance with auditing standards accepted in the U.S. and the standards applicable to financial audits in Government Auditing Standards. The purpose of this audit is to ensure that the expenditures that are being reported are compliant with Measure D requirements.

Mr. Delaney provided an update on FY 2023-2024 audits. The audit scope included the verification of revenues and expenditures against the Cities/County and ICLTA records, as well as testing the expenditures for allowability and compliance with the ordinance. The audit also included non-financial compliance procedures such as verifying the submission of a 5-year plan of projects, annual reports, and maintenance of effort requirements. The audit reports include an independent auditor's report on the schedule of revenues, expenditures, and change in fund balance, a report on internal control over financial reporting and compliance, and a report on compliance with the ordinance. The audit also included unaudited information such as the statement of revenues, expenditures, and change in fund balance, the five-year program of projects, and the budget to actual statements.

The auditor presented findings for various entities. Most entities had issues with either not providing maintenance of effort certification, not submitting annual reports to the taxpayer committee, or both. Only Brawley had no findings after a correction. The committee discussed challenges in getting agencies to comply, including staff turnover and lack of consequences. Ideas for improving compliance included sending reminder emails throughout the year for key deadlines and requirements.

The LTA Local Taxpayer Supervising Committee (LTSC) reviewed the financial reports, and recommended approval of the fiscal reports for FY 2022-23, for the LTA and the cities of Brawley, Calipatria, Calexico, El Centro, Holtville, Imperial, Westmorland and the County of Imperial”, with support for the following recommendations for member agencies and staff:

- The committee would like staff to review options to update the Maintenance of Efforts expectations and requirements applicable to each agency
- The committee would like to continue to require a cap on administrative use of LTA expenditures to agencies to not exceed 5%.
- The committee would like the public to be provided with more information regarding projects that are funded with LTA funds, such as newspaper publications.
- Continue to meet with agency audit staff annually for training purposes and to better facilitate the auditing process. This includes reminding agencies to submit all required items.
